

Membership is about helping our owners - the account holders -
achieve financial success.

Become a Select Employer Group to offer Credit Union Membership
and valuable money management knowledge and tools to employees.

First Financial Credit Union is a Chicago-based financial cooperative that has partnered with employers and communities in the area since 1936. When your organization becomes a Select Employer Group (SEG) you'll get real service at every level. It's not revolutionary, it's what you expect from a partner. Discover a new employee benefit and a whole different way of banking at First Financial Credit Union.

FIRST FINANCIAL CREDIT UNION

Employers are consistently thinking about providing the best possible employee benefits while maintaining a strong bottom line. Partnering with First Financial Credit Union gives all of your employees the ability to become members and have access to our products and services at no cost to the organization. Additionally, we work with you to add extra benefits through on-site enrollment days, financial education seminars and sponsorships for company events.

Enrollment Days and Financial Education

Enrollment Days and Benefit Fairs at our SEGs

During an Enrollment Day or tabling opportunity, FFCU will send representatives to your organization to provide information about our services and open memberships for any interested attendees. Enrollment days can be held at any SEG location and can be organized through our Marketing Department

Financial Education

Workshops can be coordinated through our Marketing Department. Sessions include:

- Credit 101: Learn how to build and maintain a healthy credit score. Credit Reports can be provided.
- Home Appraisal and Home Buying Seminar: Best practices and recommendations for home purchases.
- Car Buying Workshop: Taking you through the steps and potential pitfalls.
- Security and Identity Protection: How to protect yourself from fraud and the current scams.
- Saving for Retirement: When to start, how much to save and the best tools to get you there.
- Financial Education for Youth: Helping your children set the foundation for lifelong money skills.
- Budgeting Workshop: Money management best practices for all incomes and account types.
